

Happy_Haus

Carpenter

We're looking for a talented Carpenter experienced in their craft. Join a team of long-term Happy Haus carpenters. Our in-haus design team support all projects. We design for build efficiency in high-end homes. Our priority is quality and craftsmanship. If you don't want to build cookie-cutter homes, this job is for you.

All our projects are within 15 km of Brisbane CBD. We offer competitive wages based on skill level.

- Our in-house team designs and supports our projects, and we prioritise quality and craftsmanship. We focus on efficiency when building high-end homes.
- We provide full construction administration and office support, and you work alongside a great group of long-term Happy Haus carpenters.
- We offer competitive wages and include all the necessary build supplies, ongoing training, and team social events.
- All our work is within 15km of Brisbane CBD, primarily new builds with a few major renovations each year. We have a steady pipeline of projects into the future.

Let's chat if you're looking for a change or want to build homes with us.
